

The image shows a Kanban board with three columns representing different stages of work: 'Networking/Have_to_start', 'Networking/In_progress', and 'Networking/Completed'. Each column has a header bar with a dropdown arrow, the column name, a card count, and icons for adding and settings. The cards are dark gray with white text. Each card contains a title and an ID (e.g., #63, #62, #64).

Column	Card Title	ID
Networking/Have_to_start (3)	W1: use case: remaining cases description	#63
	W1: use case: Player makes a move	#62
	Use case description	#64
Networking/In_progress (5)	SQ: In game chat	#66
	SQ: abstract reconnection	#65
	W1: use case: End turn	#61
	W1: use case: Game chat	#60
	W1: use case: Make a move	#59
Networking/Completed (0)
